

Aim:

Sainsbury's wanted to create inclusive, resilient, confident and agile leaders who are cultural role-models developing great people and providing meaning for their teams.

Solution: Train the trainer programme

We created the 'You Can Be' programme for store managers and deputy store managers to provide cross-functional managerial development. For each of the six modules of the programme, LifeClubs made a bespoke film with materials in a stunning 103 page guide to support everyone's personal journey.

Feedback:

The You Can Be programme is going down really well and we will be looking to work with you again
